

Business Requirements Document (BRD)

SECTION 1: BUSINESS GOALS & OPERATIONAL POLICIES

- 1.1 The business seeks to provide a frictionless multi-channel retail experience for domestic and international shoppers.
- 1.2 Customer trust, compliance with consumer protection standards, and operational resilience are paramount business objectives.

SECTION 2: CUSTOMER ACCOUNT GOVERNANCE & ACCESS

- 2.1 Users can change their profile information including phone number and shipping addresses at any time.
- 2.2 Password recovery must only be performed through administrator verification to prevent unauthorized account takeovers.
- 2.3 Users must remain logged in for at least 30 minutes without activity to avoid disrupting continuous shopping sessions.
- 2.4 Administrators must authenticate using two-factor authentication before gaining access to administrative controls.

SECTION 3: SALES & POST-PURCHASE FULFILLMENT

- 3.1 Orders may be cancelled by customers until dispatch through the online portal.
- 3.2 Customer refunds shall be processed within 30 days of purchase upon customer return request.
- 3.3 Dispatch tracking notices shall be automatically generated for all carrier parcels.

SECTION 4: OPERATIONAL METRICS & SUPERVISION

- 4.1 All web services must provide good performance and reasonable response times under peak load.
- 4.2 Store managers must be able to export quarterly inventory analytics for auditing.
- 4.3 Customer support staff shall record resolutions for every customer inquiry.
